

A little bit about us

Conquest Equestrian Centre is a leading Somerset Charity dedicated to providing a range of activities centred around horses for adults and children with a wide range of disabilities. We are open 6 days a week following the academic term time, offering riding tuition to both disabled and able-bodied clients.

By holding events such as Dressage and Show Jumping etc we raise vital funds & awareness so while you're having fun you're also helping a very grateful, local charity - so thank you!

If you would like more information on the services we provide or you would like to become a volunteer, please browse through our website www.conquestcentre.org.uk or call us on 01823 433614.
