The Organisers reserve the right to amalgamate, split or amend classes as required.

Classes may be run in a different order to the schedule. It is likely that class 1 will run last.

To be judged under current Riding Club rules, a copy of which will be available at the Secretary's office.

In the interest of safety, other than due to a technical elimination, any combination failing to complete the show jumping or accumulating in excess of 24 jumping faults will not be allowed to ride the cross country. No exceptions.

The judge's decision is final.

It is the riders responsibility to make sure they comply with the current BRC hat rules available online prior to the event. They may be tagged for BRC, BE or PC and must be presented for inspection at the secretary's office with Body Protector.

Hats must be worn at all times while mounted, with a harness properly adjusted and fastened.

It is the riders responsibility to ensure they wear a correctly fitting body protector to at least **Level 3 year 2009** or after and is compulsory for cross country, and recommended that it is worn outside clothing. It is also strongly recommended for show jumping. Exo Body Cage BETA level 3 2000 are allowed but must be advised to the secretary and a key must be available to First Aiders.

Medical armbands must be worn for cross country.

Organisers reserve the right to withhold a proportion of the entry fee if the event is cancelled due to adverse weather.
