Notes:

Eligibility: see BRC Handbook at the link above.

Tack and Turnout: See BRC Handbook. Number bibs must be worn (provided by competitor).

Cost: £20 individual, or £80 per team of 3 or 4. Pre-entries for those aiming to qualify must be made directly with BRC.

Each Club entering a Team must supply two volunteers per Team entered, for 2 hours service. Times of volunteer service will be notified to the Team Manager - we will try and ensure these are compatible with the Teams class times, though this cannot be guaranteed.

This Qualifier is being run on a surface, however, note that for those who qualify, the Finals (at Aston-le-Walls, Daventry, 21-22 May 2022) will be entirely on grass.

Hats meeting current standards are to be worn at all times when mounted. Body protectors are required for the XC phase (which in practice means the whole competition as there is no break between phases).

All entries via Equo. Closing Date: 2 April 2022 (pre-entries for teams and qualifying individuals 12 March 2022). Amendments to entries (including adding details you forgot!) will be subject to a £5 admin fee.
