Horse Events hat tags are not accepted. There will be a trained official available on the day to do this for you if your hat does not currently have one. No fixed peak hats will be allowed at this event.

Body Protectors

A body protector is mandatory for this competition, from January 1st 2024 the BETA Level 3 2009 Purple Label will no longer be accepted for riders to use in BRC competitions. It is a rider's responsibility to ensure they have a body protector with the BETA Level 3 2018 BLUE label.

The only exception to this is for Exo-Body cages, in which the BETA Level 3 2009 Purple Label will continue to be accepted.

Flu Vaccinations & Microchips

As of 1 October 2020, it is compulsory for all horses to be microchipped. It is the rider's responsibility to ensure the horse is chipped and it is traceable.

Your horse must have up to date influenza vaccinations in line with rule G7 in the current BRC Handbook. There is also a checking device on the BRC website. If you are unsure, please call BRC on 02476 840518, or you could contact your area rep / team manager.

It is the responsibility of each clubs team manager to ensure that all the vaccinations of competing horses are correct and up to date. Any club who is found to have a horse competing with incorrect vaccinations will be disqualified from the competition. Random checks may be carried out by the Official Steward on the day of competition.
